

26 March 2020

Parent/Caregivers

As of Friday 27 March TAFESA will be suspending all classes until further notice.

If your child is currently enrolled in one of the following courses:

Cert 2 Electrotechnology - 4 days a week

Cert 2 Automotive - 4 days a week

Cert 2 Construction - 1 day a week

- TAFESA lecturers will be placing work for your child at the TAFE, Carlton Parade front office that can be collected Friday 27 March, enabling your child to continue working on some theoretical aspects of the course.
- Lecturers may place resources online in the future. If this occurs you will be notified.
- If you have timetabled lessons at PASS on non TAFE days, please continue attending these lessons.
- Please note: no additional classes will be added to your timetable to cover days previously spent at TAFESA

Thank you for your support in this matter.
